March 5, 1999

COUNTY FISCAL LETTER (CFL) NO. 98/99-65

TO: ALL COUNTY WELFARE FISCAL OFFICERS ALL COUNTY WELFARE DIRECTORS

SUBJECT: AUGMENTATION TO CALIFORNIA WORK OPPORTUNITY AND

RESPONSIBILITY TO KIDS (CalWORKs) SINGLE ALLOCATION

FISCAL YEAR (FY) 1998/99

REFERENCES: CFL NO. 98/99-33, CFL NO. 98/99-55, CFL NO. 98/99-60

The purpose of this letter is to provide counties with an augmentation to their FY 1998/99 CalWORKs Single Allocation. Attachment I provides information on the following adjustments:

- Rollover of unspent funds from the FY 1997/98 CalWORKs Single Allocation
- Rollover of unspent funds from the FY 1997/98 CalWORKs Child Care Allocation
- Release of the Employment Services Holdback
- Medi-Cal Services Eligibility Adjustment
- County Maintenance of Effort (MOE) Adjustment

ROLLOVER FUNDS

The FY 1997/98 expenditures used to calculate the rollover funds were adjusted for projected supplemental claims. At year-end closeout, FY 1997/98 rollover funds will be adjusted to reflect final FY 1997/98 expenditures. Attachment III displays the program codes, old codes as well as new codes for FY 1997/98, utilized to determine your rollover funds.

CalWORKs Single Allocation

Each county's FY 1997/98 rollover funds from the CalWORKs Single Allocation was reallocated to that county. The FY 1997/98 expenditure comparison to the individual county's CalWORKs Single Allocation included the following programs:

- CalWORKs Eligibility
- Employment Services
- Cal Learn Case Management
- Health and Safety Requirements (1st 6 months)
- Child Care (1st 6 months) Non-Greater Avenues for Independence Program (GAIN) Education and Training (NET), Transitional Child Care (TCC) Administration, Supplemental Child Care (SCC) Administration, Cal Learn Child Care, and GAIN Child Care.

CalWORKs Child Care – (2nd 6 months)

The CalWORKs Child Care program includes Stage One Child Care, Cal-Learn Child Care,

and Child Care Health and Safety Requirements. The Child Care rollover allocations are displayed in Attachment II.

CalWORKs Child Care consists of the 1997/98 unspent Child Care funds, sometimes referred to as the "2nd 6 months of Child Care". Pursuant to discussions with the County Welfare Directors' Association (CWDA), the unspent funds were carried forward on a statewide basis. These funds have been distributed consistent with the current Child Care allocation methodology which uses each county's ratio of the FY 1998/99 Welfare to Work allocation.

CFL 97/98-43 contained the 1997/98 Child Care Capacity Building (CCCB) allocation in the amount of \$5,750,000. Attachment II also reflects the county specific rollover of the unspent CCCB allocation.

EMPLOYMENT SERVICES HOLDBACK

The FY 1998/99 Single Allocation (CFL 98/99-33) explained the Budget Act requirement to retain ten percent of the funds for the purpose of augmenting local allocations during the year due to unforeseen events. Since the original holdback allocation inadvertently contained the small counties' minimum floor adjustment, the total revised WtW holdback amount is \$41,685,303. These funds are being distributed consistent with the Employment Services methodology used in CFL 98/99-33.

MEDI-CAL SERVICES ELIGIBILITY ADJUSTMENT

The Medi-Cal Services Eligibility adjustment reflects the savings associated with shifting eligibility costs from the CalWORKs Program to the Medi-Cal Program, pursuant to the revised Cost Allocation Plan (CAP) for claiming costs associated with common activities to the benefiting program. The Medi-Cal Services Eligibility allocation was based on each county's percentage of the most current three quarters Medi-Cal expenditures, as provided through Program Code 615, to the statewide total.

COUNTY MOE ADJUSTMENT

The County MOE Adjustment ensures that the counties' share of the total costs for CalWORKs Administration, CalWORKs Services, Food Stamps Administration, and CalWORKs Child Care does not exceed the required MOE amount at the FY 1996/97 expenditure level. The County MOE Adjustment allocation was based on each county's percentage of the FY 1996/97 County MOE Expenditures to the statewide total.

If you have any questions, please contract your county program analyst at the Contracts and Financial Analysis Bureau at (916) 657-3806.
